Olympic Games Tokyo 2020 – IOC Anti-doping Rules

Dear Colleagues,

The International Olympic Committee (IOC) Anti-Doping Rules applicable to the Olympic Games Tokyo 2020 (Rules) were approved during the IOC Executive Board meetings in June 2019. A copy of these IOC Anti-Doping Rules is send herewith this letter. These Rules shall, without limitation, apply to all Doping Controls over which the IOC has jurisdiction in relation to the Olympic Games Tokyo 2020.

Athletes entered in the Olympic Games Tokyo 2020 or who have otherwise been made subject to the authority of the IOC in connection with the Olympic Games Tokyo 2020 are bound by these Rules as a condition of eligibility to participate in the Olympic Games Tokyo 2020. Athletes shall, without limitation, be subject to the authority of the IOC upon being put forward by NOC as potential participants in the Olympic Games Tokyo 2020 in advance of the Period of the Olympic Games Tokyo 2020 and shall in particular be considered to be entered into the Olympic Games Tokyo 2020 upon being included in the final NOC delegation list. The Athlete Support Persons supporting such Athletes and other Persons participating in, or accredited to, the Olympic Games Tokyo 2020 are bound by these Rules as a condition of such participation or accreditation.

National Sports Federations (NSFs) are required to read carefully these Rules and to communicate them to all persons linked to your organisation that have a need to know such information, in particular to the athletes, coaches and medical personnel. I request all NSFs to fully comply with these Rules. For any queries, you can always contact the IOA Medical Commission or staff.

Sincerely,

Rajeev Mehta
Secretary General
