This full scholarship graduate programme is funded by the Korean Ministry of Culture, Sports, and Tourism and the Korea Sports Promotion Foundation. Its aim is to train the next generation of sports administrators.

ANOC will recommend candidates for the Master's programme through the National Olympic Committee. The program is open to sports administrators or athletes with higher education qualifications (Bachelor's degree or higher) and English proficiency. Those interested in joining the program should apply before 28th February 2024.

IOA will have to receive all the application documents (see the documents attached and the checklist for documents to be submitted) before the deadline – **28th February 2024**. Please note that applications submitted directly to the University will not be considered for the ANOC scholarships.
