

14th**RR LAKSHYA CUP**

14th RR LAKSHYA CUP 2023 - Powered by RR Global
16-17 March 2024, Navi Mumbai.

I take great pleasure in inviting you for the **14th RR LAKSHYA CUP 2023** to be held on **16 & 17 Mar 2024** at the fully electronic Karnala Sports Academy shooting range in Navi Mumbai. As per the successful traditions of the last few years, we are ready to host the 14th RR Lakshya Cup.

As you are aware, Lakshya Cup has been conducted since 2008 and had been an intra-club affair. After the modernisation of our **Shooting Range** to a **fully electronic world class facility** in 2016, Lakshya Cup was opened up to the cream of Indian Air Rifle Shooting (TOP 20 national ranked shooters of the country) of the same year-end as the **All India TOP 20 Air Rifle Men-Women Invitational Lakshya Cup.....**

India's Top 20 Air Rifle Shooters will slug it out at this **Premier Invitational Shooting Competition** organised by **Lakshya Shooting Club**, founded by me, **Suma Shirur** (Currently the **National Chief Coach** of the Indian Rifle Shooting Team)

Lakshya Cup has been the very first of its kind in promoting **GENDER EQUALITY**. I had first mooted the idea that men and women should shoot equal number of shots in a match and since 2008, from the first Lakshya Cup days we have been following that. In Dec 2017 the International Shooting Sport Federation (ISSF) adopted the equal shot rule for both men and women, in a way vindicating what I had been promoting strongly since 2008.

The 13th RR Lakshya Cup 2022 was a great success with **Shriyanka Sadangi** of Odisha taking home the Lakshya Cup in the senior category. She has also won the Quota Place for India for the Paris 2024 Olympic Games in 50m Rifle 3 Positions. Our past Cup holders have been **Rudrankksh Patil** (2021) also a Paris 2024 Olympic Games Quota Place winner in 10m Air Rifle, **AishwaryPratap Singh Tomar** (2019), **Divyansh Singh Panwar** (2018), **Deepak Kumar** (2017) & **Meghana Sajjanar** (2016). That shows the level of competition that Lakshya Cup sees every year.

The star-studded line-up of the 14th RR LAKSHYA CUP 2023 is going to see some tough competition for the coveted all Silver Rotating Cup, currently held by Shriyanka Sadangi. Who is going to lift the Cup this year? Join the spectacle at Karnala Sports Academy's World Class shooting range in Navi Mumbai.

I look forward to your support this year in a grander and more competitive 14th Lakshya Cup 2023.

Thanking you in anticipation,
Truly

Olympic Finalist, World Record Holder, Arjuna Awardee (2002) & Dronacharya Awardee (2022)
