8. QUOTA PLACES FOR OLYMPIC GAMES

- 8.1 As with the previous Olympic Games, the NRAI has a clear existent policy that any quota won by an Indian athlete belongs to the Federation and the country. Though due consideration shall be afforded to such an athlete per provisions of this policy, it does not necessarily imply that merely winning a quota place in its self suggests that only that particular athlete shall eventually represent the country at the Olympic Games in 2020. Quota place winners alongside other qualified athletes shall have to subject themselves to the test of trials in order to be selected as per the provisions of this policy.
- 8.2 It has been decided in keeping with this policy and its main objective of fielding the best from the best, purely on merit.
- 8.3 The NRAI will ensure on the basis of this policy which individual shooter of that event shall ultimately represent the country at the Olympic Games on the basis of this policy.

- 8.4 This Committee does not wish to take away the individual achievement of the sportsperson from achieving this laudable milestone of winning an Olympic quota place, therefore, it is decided to honor such achievements by individuals whereby the winner of the quota place will be entitled to get two (2) additional Quota points to add to his Final Average Score arrived as per the provisions listed in this policy. These Quota points shall be exclusive of all other merit points and will be available only to shooters earning a quota place for the nation.
- 8.5 Two (2) Quota points will be awarded only once to the Quota winner in Quota winning event and will not be awarded for his/her subsequent performances in the same event or in any other event (Double Start).
- 8.6 No further Quota points will be awarded to anyone if two Quotas have already been won by the shooters in that particular event but the shooters will be eligible for merit points as stated under 5.4 above.
- 8.7 Regardless of anything contained herein the decision of the Selection Committee of NRAI shall be final and binding.
