Dear colleagues,

With exactly one year to go until the start of the postponed Tokyo 2020 Olympic Games, the World Anti-Doping Agency (WADA) has launched a new interactive education course on its [Anti-Doping eLearning Platform \(ADeL\)](#) for athletes and coaches aiming to attend the Tokyo 2020 Olympic Games.

The new course, entitled '*ADeL for Tokyo 2020 Olympics*', was developed by WADA in collaboration with the International Olympic Committee (IOC) and the International Testing Agency (ITA), demonstrates the organizations' commitment to educate and support athletes and their coaches in the build-up to the Games.

Please inform athletes and officials aiming to participate in the Olympic Games Tokyo 2020 about this new e-learning course. The link <https://adel.wada-ama.org/>.

Thanks and Regards,
