Subject: Mandatory Screening of Food Supplements/Medicines by Sports Science Experts before consumption by Shooters

In view of adhering to the anti-doping rules laid down by the WADA/NADA and ensuring there are no unintended doping violations by our athletes, Ms. Sumita Jain has been assigned by NRAI as the Sports Medicine Expert. With regards to the above, it will be mandatory for all shooters to consult the above-mentioned personnel and seek proper guidance and knowledge before any consumption of medicines, food supplements, etc. Ms. Sumita can be contacted via e-mail at sumita@ogq.org.

The support staff attached with the shooters are also requested to take note of the above and educate themselves and the athletes on the same.

With Regards

K. SULTAN SINGH

Secretary General, NRAI
