To

The Administrator SAI,
Dr. Karni Singh, Shooting Range Road,
New Delhi.

Sub:- Request for traffic diversion due to drain construction and pipe laying work on Shooting Range Road from Sangam Vihar to M.B. road.

Sir,

With respect to above said subject, the work of "Construction of approach road & side drain from H-Block (Regd.No.359-A) Shiv Mandir to Shooting Range in Sangam Vihar (AC-49)" is being carried out by Irrigation and Flood Control Department. In this connection, it is informed that drain/pipe laying work on Shooting Range Road from M.B. Road to Sangam Vihar entry point will begin on 14 March 2026 and will continue for approximately 30 days.

During this period, traffic movement will not be possible on shooting range road for the stretch of 800m road from Sangam Vihar entrance point to M.B. road because of the proposed work. Therefore, traffic diversion will be required. Hence, in view of above, you are requested to direct concerned officials to arrange necessary traffic diversions and provide police support so that the work can be completed smoothly and safely on time.

This is for your kind information.

Yours Faithfully,

(B.B. NAGPAL)
(EXECUTIVE ENGINEER, CD-V)
