ERSA/ Rectt./ TSQ (2024-25)/ Pt.I

Kolkata, dated: 21.05.2024

**Secretary General,
The National Rifle Association of India
NRAI House, 51 – B Tughlakabad Institutional Area
New Delhi-110062**

Dear Sir,

As you are aware that, Indian Railways as a matter of policy, recruits meritorious sportspersons in different disciplines through special drives and recruitments each year. Eastern Railway Sports Association (ERSA) has always been in the forefront of sports promotion. ERSA works under the aegis of Railway Sports Promotion Board (RSPB), the apex organization for sports promotion on Indian Railways. ERSA is responsible for nurturing and promoting outstanding sportspersons who can bring laurels not only to Indian Railways but more importantly to our country. ERSA boasts of several Olympians, Asian and Commonwealth Games Medal winners, Arjuna, Dronacharya and Padma Shri Awardees in various sports.

Every year, Eastern Railway Sports Association gives opportunity to talented sportspersons in various disciplines of our country, to become a part of Eastern Railway fraternity through recruitment under Talent Scouting Sports Quota. Since your federation is organizing National Championship and is responsible for promoting Shooting, I would request you to pass on the information of such talented sportsperson, along with their achievements to us, so that we can reach out these sportspersons. Alternatively, you can inform these sportsperson about the recruitment policy of Eastern Railway under sports quota so that they can apply to ERSA with their credentials. The norms for recruitment in Talent Scouting Quota on Eastern Railway are enclosed in the Annexure.

Your co-operation in this endeavor will help ERSA to recruit deserving young talented and outstanding sportspersons and give them the opportunity to bring laurels not only to Eastern Railway but also to our country.

Thanks.

DA: As above.

 21.05.24

(Manish Kumar Gupta)

Hony. General Secretary/ ERSA
