6.10.9.1 When ALL Targets on a Range Fail

- a)** The time of failure and the expired shooting time must be recorded by the Chief Range Officer and the Jury;
- b)** All completed competition shots of each athlete must be counted and recorded. In the event of a range power supply failure, this may involve waiting until the power supply is restored to enable the number of shots registered by the target, not necessarily on the firing point monitor, to be established; and
- c)** After the failure is rectified and the full range is in operation, an additional five (5) minutes will be added to the competition time remaining. The time for recommencing is to be announced over the loudspeaker system at least five (5) minutes beforehand. Athletes must be allowed to resume their position in the five (5) minutes before the competition restarts. Unlimited sighting shots must be allowed during the remaining shooting time, but only before competition shots are resumed.
